"Dance With The Moon"

I like to listen to my phonograph records
And I like to sit and watch my television set.
10,00 people jumpin' up and down lookin'
At me like I'm their circus clown.
I'm not sure what you've heard about me.
I'm not sure what you think about me cause
I sing to the moon.
Somewhere, someone's crazy, crazier than you.

I sing to the moon.
And I dance with the moon.
I like to be alone when I'm feelin' kind of reckless
And I like to walk up and down the boulevard.
10,000 people walking up the street lookin'
At me like I'm some kind of freak.
