You say that I'm late for everything
And you say I'm just a loser
You say I'll never amount to anything
and you say I'll always be...
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
You say I've got no destination

Maybe I just like to take my time
and think things through.
You say I eat cancer for breakfast
And my hair's like an 8-track do
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
Na, Na, Na-na I'm a loser
