"Summer Dance"

Summer dancing in the rain
kind of feels like back home again.
And all I wanna do is sail into the sun,
Melt into your arms until we're the only one.
We're the only one.
And we're dancing our time away.
Yeah, we're dancing faster and faster

and it feels like yesterday.
Summer dancing, it slips away.
But we'll be dancing here inside of me.
Tripping on the buttercups, sipping on the sun.
Melt into your arms until we're the only one
