Hell yeah I like the finer things  
Silk sheets and diamond rings  
Big yachts and private planes  
Fast cars in my own lane  
This girl means business  
And I don't need no wish list  
My fine ass is high class  
And there's nothing I'm missin'  
Yeah I like to party, yeah I like to party  
Since I got it, I can flaunt it  
I can get it when I want it  
Yeah I like to party, yeah I like to party  
I work hard for the money  
Now listen to me honey  
Gold watch, Margiela frames, Lamborghinis in Saint-  
Tropez  
Tell the waiter to keep the change  
Spend it like it ain't no thing  
Shopping bags, all eyes on me  
Two hundred dollar Givenchy  
You think I need a man for that?  
Please, I'm loaded  
I'm loaded!  
I'm loaded!  
Haha, no like seriously, I'm really loaded  
Hell yeah, I like to spend my cash  
Can't count how much I have  
I flip the script up, these boys be asking me for half  
So I throw a couple dollars  
And I buy another bottle  
Looking for someone to spot ya?  
Pssh, don't worry I got ya!  
Yeah I like to party, yeah I like to party  
Since I got it, I can flaunt it  
I can get it when I want it  
Yeah I like to party, yeah I like to party  
I work hard for the money  
Now listen to me honey  
Gold watch, Margiela frames, Lamborghinis in Saint-  
Tropez  
Tell the waiter to keep the change  
Spend it like it ain't no thing

Shopping bags, all eyes on me  
Two hundred dollar Givenchy  
You think I need a man for that?  
Please, I'm loaded  
I'm loaded!  
I'm loaded!  
I'm loaded, I'm loaded!
