In America I was just 16
I said
Hey
It's just me
And I saw no one's gonna speak for me
I said
Hey
It's clear to me
Clear to me that

I stand
I stand
I stand for nothing
I stand for nothing you would understand

In America and globally
Been hearing
Hey
It's not just me
Do you hear us?
Do you hear, Mr. Authority?
You have company
We're saying
Hey
People sing
People sing it

I stand
I stand
I stand for nothing
I stand for nothing you would understand

It's gonna be different
Can you feel it?
Can you feel it?

It's gonna be different
Do you fear it?
Do you fear it?

I stand for nothing you would understand

I know what I stand for
And I'm just a lonely soul
In America
