As the crow flies, baby  
Will I ain't so far from you  
As the crow flies, baby  
I ain't so far from you  
But since I don't have wings  
I can't get home as fast as I want to

In a dream last night  
Where I heard you call my name  
In a dream last night  
Where I heard you call my name  
Well, I took it as an omen  
And I jumped on the very first weight train  
Yeah, yeah

Well, you don't know, baby  
How I miss your sweet caress  
Well, you don't know, baby  
How I miss your sweet caress  
When I'm in your lovin' arms  
I swear I make my very best  
Yeah

As the crow flies, baby  
That's how I'm on my way  
As the crow flies, baby  
I'm on my way  
If I don't stop runnin'  
I can get home for the break of day

Get home for the break of day  
Get home for the break of day  
Get home for the break of day
