He'll fight for us he'll kill for us  
Making the oath with the unknow  
We'll live for him our blood for Bran  
-this is the land where the king is born  
-he is the king of caledon

Born with the blood of the wolves in the veins  
You'll be the king  
Try to unite the tribes on the land  
The empire ir near  
Try the fight with the hammer and the brain  
And wait for the sign  
Warhammer are running in the night  
For caledonian's strike

I'll not rest till the end of the war  
Crom i'm your son  
I will crash Roman steel with my stone  
Tonight the king is born

Rit.....

Look in my eyes and you'll see all the pain  
For brother lost on Roman cross  
Soldiers are drinking the wine for your blood  
But the Worms will spill out their lives

Rit.....
