You've done me wrong  
For the last time  
You've sung your song  
Now I'm goin' to sing mine

Out loud, so loud  
Like the roaring sea

You've played around  
For the last time  
You've shown your claws  
Now I'm goin' to show mine

Watch out, I feel about  
In the night

You went around  
Since the very first day  
You've had your moment  
Now I'm gonna have my play

So long, I'll be gone  
In the night

You've done me wrong  
Since the last time  
I hit the floor  
But I got up on the count of nine

Goodbye, don't cry  
When I'm gone
