You broke my heart
But you opened up my eyes
Yes, I've been a fool
Now I realize

If I can't walk, I'll fly
If I can't sing, I'll cry

I hit the ground
Made me feel a whole lot better
Ain't no sense for her to go
Well how can I just let her

Now if I can't walk, I'll fly
If I can't sing, I'll cry
You broke my heart
Put tears into my eyes
You must go your way
I know how fast I've crashed

Well if I can't walk, I'll fly
If I can't sing, I'll cry

If I can't walk, I'll fly
Well if I can't sing, I'll cry
If I can't sing, I'll die
