A whole lot of people talking,
Trying to make sense.
Seems everybody's living on a barbed wire fence,
Whole lotta people too proud to call,
'Cause it won't get no help at all.

Everybody's waiting for the good news day,
But it seems so far away.
Wonder if it's ever gonna come,
'Cause the way it's been,
The restless one.

Lot of things have gotta change,
If it's not already too late.
But it is worth the wait,
So, let's not hang our heads,
The light will shine one day.

Yeahhhh...come on..

Lot of things have gotta change,
If it's not already too late.
But it is worth the wait,
So, let's not hang our heads,
The light will show through yet.

Yeahh...

Now listen baby, and listen well,
I've got only one thing to tell.
Don't you worry about people telling lies,
They're only catching flies.

Yeahhh..

A whole lotta people talking,
Trying to make sense.
Seems everybody's living on a barbed wire fence,
Whole lotta people too proud to call,
'Cause it won't get no,
'Cause it won't get no,
'Cause it won't get no,

Help at all,
Help at all.

Yeahhh...come on..
