Yea  
King Chip in this bitch  
Valet parking chariot  
When Iâ€™m walking on rose pedals I ainâ€™t hearing it  
Canâ€™t tell me shit with \$30, 000 shoes on  
Even if Iâ€™m is wrong, naw nigga you wrong  
Damn these bitches love me  
They say I should be in movies  
I just signed with the C.A.A  
They wish just might come truly  
Hell yes sheâ€™s got that booty  
Do I got to say it  
That headâ€™ll put you crazy  
Got to spend a day with me  
You seen me on tv and be like damn chip you made it  
But, if you ask me I need a few more toys to play with  
Bitch donâ€™t stare too long cause your panties will get  
creamy  
I was looking like a natural king like every time you see  
me

7-8 rings  
And you know a nigga about like 7-8 rings

7-8 rings  
And you know a nigga about like 7-8 rings

Iâ€™m the coolest nigga who is ever on this earth, ho  
Yee ainâ€™t tryna ball out then what the fuck you work for  
People only doubt you cause they know for sure that  
they canâ€™t  
I been spending so much paper  
Damn I need to take a vay-kay  
Put me in a place where I can walk around and buy shit  
Put me in a place where is some bitches on some fly  
shit  
Reminder bitch if you got a stupid question  
Not to ask  
Trigger finger, Ringless, In case I gotta pop your ass  
Get these niggas heads chopped like the king that I  
am

Eating like a mob boss, a little chubby yea I am  
If you fuckin with a real king ain't no losing  
Told these bitches kiss the ring  
Just to let me know they choosin  
Catch me on twitter going ham on the pastures  
King Chip ain't no bitch, father I'm a master  
Sippin some patrossi, with some bitches in the possey  
Whippin up millions on my iPhone  
And I know my ghetto got me

7-8 rings  
And you know a nigga about like 7-8 rings
