Smelling like a pound of purple sipping pose of purple
Ace of spade on the rocks women come in flawless
Since I'm married to the money I should wear a tux
Bandz on top of bandz call it bunk bed
Deceased presidents to get a punk dead
Got the streets on lock like a light bed
And the kush more good like your wife hit
She like my car so she going like the light red
With the light out I still shine 'cause I'm in my glory
I'm a talking Dr. Menarie true story
Living legend in the flesh catch me at my best
Will continue to succes till in peace I rest
More mo with the ace shit I call it mace
Break poopan yeah I got special taste
Bad chick shotgun hotter than a taste
I'm so 'bout my money should lock in a safe

[Hook x2]

Feelin' like a billion bucks count a million bucks
Tomorrow ain't promised to me so I live it up
Live my life ready to die screaming head 'em up
And I focused on my money till the intrerupt

Life is hard so go hard don't let 'em see you sweat
I'm getting high while I'm high on a private jet
Calamary with my barbie she be super wet
Flying with the wonder woman she my super chick
At the dealership trying to see which coop to get
Just make it the drop top on my stupid shit
Me and money so in love where that cupid kid
I be getting dumb racks call it stupid brick
Smoking on strong pack getting super hit
The bottom on my bitch loves and my gucci's real
In the back 2 2's in the front 2 1's
Spend money on foreigners and army guns
Everyday I'm on my G shit call me done
And my grill cost a leg and an arm
I'm just talking money if you ain't you're talking funny
No comedy I'm getting money abudently

[Hook x2]

Feelin' like a billion bucks count a million bucks
Tomorrow ain't promised to me so I live it up
Live my life ready to die screaming head 'em up
And I focused on my money till the intrerupt

At this rate I'ma die rich
I gain so much money I could buy bitch
Baby act that's my shorty K
SIT get out shorty wait
Car fast , money fast I live a fast life
Until my reap pass get cash day and night
Amen to the man for this glory shit
Get benz blow benz 'cause there's more to get

[Hook x2]

Feelin' like a billion bucks count a million bucks
Tomorrow ain't promised to me so I live it up
Live my life ready to die screaming head 'em up
And I focused on my money till the intrerupt
