Hailing winds turn and just come worse
The destructions has left it's trace
Oh I'm all worn out
And I don't wanna make new friends

Fell out of perfection
And still I fall
The ground beneath me
Seems too calm

I don't know what to do
Guess I have to learn to fly
Too much pressure that I may feel

Oh so incomplete
Being crushed fighting gravity
What a thing to do
Oh I'm in too deep
The failure rate reflects
Just like a mirror
Oh I don't like how it's staring back
Oh so incomplete

Hailing worse, keep their scars
It's destructions has left a trace
So our mystic minds lie,
Don't wanna make new friends
A disapointed start finds an end

Oh so incomplete
Being crushed fighting gravity
What a thing to do
Oh I'm in too deep
The failure rate reflects
Just like a mirror
Oh I don't like how it's staring back
Oh so incomplete

So incomplete
So incomplete
