say what you have to say
write it in a way
without even trying to play
what i have to play
what i am today
wonder what else can i-
say what you have to say
write it in a way
without even trying to play
what we have to play
what we are today
will we ever be okay?

you've got to tell
what you have to tell
you should even yell
or just stay a slave to your cell
how much will we sell?
make your offer, tell
will it be our last farewell?

what we have to tell
we should even yell
or just stay stuck in our shell

we're not made of stone
we'll go on our own alone
don't think you are strong
you wrote everything you own.
I'm not made of stone
I'll go on my own alone
don't think you are strong
you wrote everything you own.

we're not made of stone
we'll go on our own alone
don't think you are strong
you wrote everything you own.
I'm not made of stone
I'll go on my own alone
don't think you are strong

you wrote everything you own.
