lost out where we lost our hands
thought taking advice from a stranger's bad
and your knees are they pushed to the bone?
suggesting that you didn't spend the night alone
suggesting that you didn't spend the night alone

you're the sun
and I am the rain
and we'll meet again
make a rainbow in the sky
as for now I must wait for sleep
as I count the sheep in my fucked up mind

I don't know why I need you like air
from morning to evening but you're never there

and I'm the welcome mat that cleans your shit
I'm a piece of a puzzle that can never fit
I'm a piece of a puzzle that can never fit

you're the sun
and I am the rain
and we'll meet again
make a rainbow in the sky
as for now I must wait for sleep
as I count the sheep in my fucked up mind

and I'm the welcome mat that cleans your shit
I'm a piece of a puzzle that can never fit
and I'm the welcome mat that cleans your shit
I'm a piece of a puzzle that can never fit
I'm a piece of a puzzle that can never fit
I'm a piece of a puzzle that can never fit
I'm a piece of a puzzle that can never fit
