I just need a smoke
And a can of beer
It's a hard days night on the train
And your sitting here

You did not ask
If the place was weer
You just talk to your friend on the phone
About a boi that you met
And I couldnt believe
When I heard what I heard what you said

He just turned seventeen
And you belong to the very same scene
He don't like condoms
But you both like britney spears

Your all teenage...
Mother fuckers
Teenage mother fuckers
Mother fuckers
Teenage mother fuckers
Mother fuckers
Teenage mother fuckers
Mother fuckers
Teenage mother fuckers

Your sister
She's sitting next to you
You ask for relate
For your mom will relate
And it's true

You take your pass
And pass it over to her
She looks like a picture
With a mixture of hatred and hope

And I couldnt believe what I saw
When I saw who it was
Your dad turned forty five

And I've known him for all my life

I didn't know no dad
He's such a good old man
Your all teenage...
