Everyone,
Everyone,
See what I just found?
The world is goin' down.
And now you say,
Everything I wanna hear.

Everyone,
Everyone,
You'll see.
So please? please? please?
No no no

Everyone,
Everyone,
See what I just found?
You'll never grow old.
But can't you see?
Everythings what I want.

Everyone,
Everyone,
You'll see.
So please? please? please?
No no no
Tell me, no no no

Hey you
Can you tell me?
Why don't you kill me?
Hey you
Can you tell me?
Why don't you kill me?
To stop me?

Everyone,
Everyone,
No matter if we try,
It's true and in the sky.
Since we're born,
We're meant to die alone.

Everyone,
Everyone,,
You'll see.
So please? please? please?
No no no
Tell me, no no no

Hey you
Can you tell me?
Why don't you kill me?
Hey you
Can you tell me?
Why don't you kill me?
To stop me?

Hey you
Can you tell me?
Why don't you kill me?
Hey you
Can you tell me?
Why don't you kill me?
Hey you
Can you tell me?
Why don't you kill me?
Hey you
Can you tell me?
Why don't you kill me?
To stop me?
