Chorus:

How do you feel?
You're hungry, you can't find nuh meal
What would you say if hungry got you there?
Tell me, how does it feel
You're hungry, you can't find nuh meal
But now, what would you say
If hungry got you there

A hungry man, is a hungry man
Can't even fight for to get me dollar
What they're telling me to...
Not even a dog can fight for...
So all homeless children in the street
Looking for some food to eat
Looking for a place to sleep
They're crying for hunger, that's the...
They're crying for hunger, na, na, na

You can always turn, divide it or fall
All to his children...

Chorus:

How do you feel?
You're hungry, you can't find nuh meal
What would you say if hungry got you there?
Tell me, how does it feel
You're hungry, you can't find nuh meal
But now, what would you say
If hungry got you there

Hungry is a parallel
People fight like...
Right just this
We live in here!
I know right just this!

Chorus: (x2)

How do you feel?
You're hungry, you can't find nuh meal
What would you say if hungry got you there?

Tell me, how does it feel
You're hungry, you can't find nuh meal
But now, what would you say
If hungry got you there
