Love...

You're my sunshine love...

This is the night i've been waiting for

You and I in Paradise

Deep in my heart there's a flame of love

You're my sunshine love, baby...

I'm lost without you girl

When it comes to making love

Don't hold back the feeling

I want to be with you

Baby make my dream come true

I will cry if you leave me

Sunshine love...

Sunshine love

You're my sunshine love

Sunshine love

You're my sunshine love

Sunshine love

You're my sunshine love

Sunshine love

You're my sunshine love...

When the sun is going down

And we're walking by the beach

I'm gonna give you my everything

You're my sunshine love, baby...

I'm lost without you girl

When it comes to making love

Don't hold back the feeling

I want to be with you

Baby make my dream come true

I will cry if you leave me

Sunshine love...

Sunshine love
You're my sunshine love
Sunshine love
You're my sunshine love
Sunshine love
You're my sunshine love
Sunshine love
You're my sunshine love....
