Give Me One More Bite

Give me one more bite, Give me one more bite

I know you can do it, put your mind to it, just do it, do it,  
do it, do it.

Give me one more bite, Youâ€™re doing so good...

Just one more bite, I knew you could...

Through the teeth, over the gums, look out tummy  
cause here it comes.

Iâ€™ll be right back youâ€™re almost done. It looks  
like your gonna be my honey bun.

Gimmie, gimmie, gimmie, gimmie one more bite.

Give me one more bite, Whaa whaa whaa whaa

Give me one more bite, Whaa whaa whaa whaa

Canâ€™t you see Iâ€™m on my knees, beggin you  
baby please.

Ooh ooh ooh ooh... Give me one more bite.

Ooh ooh ooh ooh... Just one more bite.

Oohâ€™s

One more bite you get an ice cream cone.

One more bite and Iâ€™ll leave you alone.

Gimmie, gimmie, gimmie, one more bite.

Gimmie one... One

Gimmie more... More

Gimmie me bite... Bite Itâ€™s what I said give me one  
more bite.

Give me one more bite, You know I love you.

Give me one more bite, Iâ€™m only thinking of you.

One more bite you get an ice cream cone.

One more bite and Iâ€™ll leave you alone.

Gimmie, gimmie, gimmie, one more...

Gimmie, gimmie, gimmie, one more...

Gimmie, gimmie, gimmie, one more bite.
