It Could Be Love

Get up every morning itâ€™s the same ole grind.
Lookin for my soul, leavin on my mind.
Itâ€™s hard to get up in this crazy little town.
Itâ€™s hard to stay up, people dragin you down.
I canâ€™t fall into the darkness. Iâ€™ve got to be my
own light.
Iâ€™m gonna rise up through the shadows. Like a fire
in the night.
Some people believe in money... Some play... all of the
above.
Some say it might be magic we need... Iâ€™m thinkin
Ooh... It could be love.
It could be love...

Chorus:

It could be love thatâ€™s gonna get you higher.
Could be love thatâ€™s gonna make it all right.
Could be love thatâ€™s gonna light your fire.
Could be love thatâ€™s gonna get you higher.
Higher than a mountain, over the roof tops, and over
your head.
Higher than a mountain, deeper than the dreams
livinâ€™ under your bed.
Wider than the river that flows between us, things
unsaid.
Higher than a mountain, walkin down the street just
livinâ€™ on the edge.
I donâ€™t know where to find it. Iâ€™m not sure how it
goes.
I just know when I find it, Iâ€™m gonna sing it real
slow.
Cause your mama donâ€™t know. (I canâ€™t fall into
the darkness.)
And your daddy donâ€™t care. (Iâ€™ve got to be my
own light.)
When thereâ€™s nobody home. (Gonna rise up
through the shadows.)
Thereâ€™s nobody there. (Like a fire in the night.)
Some people believe in money... Some play... all of the
above.

Some say it might be magic we need... Iâ€™m thinkin
Ooh... It could be love.
It could be love...

Chorus:

Ooh ooh ooh ooh.....

It could be love... la, la ,la laa love.

It could be love... la, la ,la laa love.

It could be love... la, la ,la laa love. It could be love...rep.
