Lady Astronaut

Sssssssssssss

Ah ooh ooh ooh... Ah ooh ooh ooh... Ah ooh ooh ooh...

Ah ooh ooh ooh...

Well I was walkin'™ in the fog and I could hardly find my way

Didn'™ t know what to do... Because you left again today.

I know it'™ s very very hard to love a Lady Astronaut
â€~ cause one day you'™ re here and then for seven weeks your not.

I think it'™ s very very hard.. to love a Lady Astronaut
â€~ cause one day you'™ re here...and then for seven weeks your not.

Ah ooh ooh ooh... Ah ooh ooh ooh... Ah ooh ooh ooh...

Ah ooh ooh ooh...

I know I wanna be with you I'™ m just not sure about the place.

And I'™ m not sure what I should do When you'™ re out in Space.....

How I wish that it was clear. Just like a night that filled with stars.

And I wish that you were here, instead of on your way to Mars.

I know it'™ s very very hard to love a Lady Astronaut
Because one day you'™ re here and then for seven weeks your not.

I know I wanna be with you I'™ m just not sure about the place.

And I'™ m not sure what I should do When you'™ re out in Space.....

Ah ooh ooh ooh... Ah ooh ooh ooh... Ah ooh ooh ooh...

Ah ooh ooh ooh...

Ah ooh ooh ooh... Ah ooh ooh ooh... Ah ooh ooh ooh...
Ah ooh ooh ooh...

I think it's very very hard, when you're out in
space.
