girl, I swear you got my attention  
I just want your permission  
to put you in submission  
Anywhere I swear your body so priceless  
girl I can work your way  
let me get the night shift

the night shift  
welcome to my night shift  
Girl there's no telling what  
positions that I might get  
The night shift,  
welcome to my night shift  
Girl tell me what I gotta do  
to get hired

Im up early in the morning,  
time to clock in  
You're my manager just tell me  
where you want me to begin  
I'ma do it how you wanna,  
you just let me know  
I'll introduce you to italian timber  
have a blow  
I'ma bust them long times just to get  
alone time with you  
I love how you ride it  
I put in overtime fucking 9 to 5  
girl we grinding  
I'm your favorite employee on  
the night shift

girl, I swear you got my attention I just  
want your permission  
to put you in submission  
Anywhere I swear  
your body so priceless  
girl I can work your way  
let me get the night shift

the night shift

Girl there's no telling what  
positions that I might get  
The night shift,

Just another day on the job I'm the man  
on my duty every day I work hard  
with them techniques to complete each task  
tell me if you're ready babe  
Cause I'm ready babe  
I'ma take you down to the floor oh no,

she used to like her man  
but she don't no more  
We turned up to the max  
she don't want no more  
Girl we're on fire  
I'm your favorite employee on the night shift

girl, I swear you got my attention  
I just want your permission  
to put you in submission  
Anywhere I swear  
your body so priceless  
girl I can work your way  
let me get the night shift

the night shift  
welcome to my night shift  
Girl there's no telling what
