You can be my number one, my main squeeze you can
be my baby
Usually I don't do this but you got me going crazy
Been running through my mind all the time on the daily
I just gotta have you forever my lady

Hey you my girl all day
Let em hate shawty
Hey you my girl all day

Hey lil shawty
I'm so glad that I got ya
Niggas mad because I got they whole life savings in
my wallet
Dont like when I'm out of town, always want me around
Put the bedroom down she know I always put it down
Got a pillow waist she dancing like a stripper man
Yea your girl might have a body but mine is thicker
mane

Been to every city been around the world
What?
This time I think I'm done looking I found my girl
Roscoe!

You can be my number one, my main squeeze you can

Well baby I just gotta make you my lady
Its crazy girl you look so fine you got me going crazy
Maybe we should evaluate this situation
Im patient but really I want you as my patient
I'll be your love doctor if the position is vacant
No stress no rest this is just conversation
I could be the best you ever had girl word to drizzy
drake king

You can be my number one, my main squeeze you can
