Into the night, you'll make me cry
I need your love, to save my life

I need you while my piano gently weeps
Listen to Beethoven

A melody, will set you free
You need my love, deep in your mind

I need you while my piano gently weeps
Music gonna save your li-i-ife

Into the night, you'll make me cry
I need your love, to save my life

I need you while my piano gently weeps
Listen to Beethoven
