It only took just one look
I knew right then and there
It was love

My heart doesn't lie
I knew it was only just a matter of time

All my life I've been waiting
For someone like you
And it's driving me crazy
I don't know what to do

The time is now
Why wait
Don't want to waste another day

The time is right
For us
Let's not let it slip away
Slip away

Time won't wait for us
It will only keep on
Passing us by
Don't be afraid of the moment
This could be the chance of a lifetime

All my life I've been waiting
For someone like you
And it's driving me crazy
I don't know what to do

The time is now
Why wait
Don't want to waste another day
The time is right
For us
Let's not it slip away
Slip away

Let's not let it slip away

Let's not let it slip away
Let's not let it slip away
Let's not let it slip away
