Yeah

("Sungguh jahat orang itu")

It's all done, turn ur fucking head down  
It's too late, I'm not joking  
That's it, try to read between the lines  
For always, u are nothing  
(It's hell I'm bringing bitch)

You're acting looking like a silly clown  
Crowded ketchup bottle in your mouth  
Ur face perfect like my fucked up dreams  
Are u just afraid?

So bite your tongue  
Try bring me down  
Your face is still under my dirty feet!

Do u know what justice said? so meaningless  
Stuck with their ignorance, you loser  
OWH  
You're nothing bitch  
You're just a freak

Move

Fuck you bitch

You'll die tonight  
I'll bring you death

(Hey sugar, give me a fucking moment to say this to  
you! )

Run, runaway  
Pray, pray for mercy

Fall, fall on your feet now

RAWWWWRR! (8x)

Only god can save your soul tonight  
Farewell my dear I'm leaving you tonight  
Only god can save your soul tonight  
You'll have my word

Let's clap

Fall

Run  
Run  
Runaway  
Suck my dick
