"Come What May"

Today I'll walk the street
Calling your name inside my mind
I can't explain what I feel inside
It's not the same, it's not the same

I'm reaching you in my dreams
I'm pleading for eternity

Can you save me from the darkness?
Taking all my nightmares away.
I know there's truth behind the actions that you make
So come what may, come what may.

So now, will you decide somehow?
When you see me crying?
I know that it'll change your mind
But still it's not the same.
