She's staring at me, I'm sitting wondering what she's  
thinking  
Nobody's talking, cause' talking just turns into  
screaming  
And now yes I'm yelling over her, she yelling over me,  
All that that means is neither of us are listening,  
And what's even worse, that we don't even remember  
why we're fighting

So both of us are mad for nothing, (fighting for)  
Nothing, (crying for)  
Nothing, (oohh)

When we won't let it go for nothing, (come back for)  
Nothing,  
It should be nothing  
To a love like what we got oh baby

(I know some times it's gonna rain,  
But baby can we make up now  
Cause' I can't sleep through the pain) can't sleep  
through the pain  
(Girl I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me  
(No I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me (oh no)

Umm  
(And it gets me upset girl when you're constantly  
accusing)  
Asking questions like you already know  
(Hey we're fighting this war maybe when both of us are  
losing)  
This ain't the way that love is supposed to go, whatever  
happened to working it out?  
(We fall into this place where you ain't backing down,  
and I ain't backing down,  
So what the hell do we do now?)

It's all for nothing, (fighting for)  
Nothing, (crying for)

Nothing... (Oohh)

When we won't let it go for nothing,  
Nothing,  
It should be nothing  
To a love like what we got oh baby

(I know some times it's gonna rain,  
But baby can we make up now  
Cause' I can't sleep through the pain) can't sleep  
through the pain  
(Girl I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me  
(No I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me (oh no)

Oh baby this love ain't gone be perfect, (perfect,  
perfect oh no)  
And just how good it's gonna be  
We can fuss and we can fight long as everything is  
alright between us before we go to sleep...

Baby we're gonna be...

I know sometimes it's gonna rain  
I know sometimes it's gonna rain

(I know some times it's gonna rain,  
But baby can we make up now  
Cause' I can't sleep through the pain) can't sleep  
through the pain  
(Girl I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me  
(No I don't want to go to bed) mad at you  
(And I don't want you to go to bed), mad at me (oh no)
