[Unfinished]

I know he found you first,
He queched your thirst,
And he loved your worst,
Before he bored you half to tears.

And I came with the tag still on,
I'm the freshest thing you've seen in years

And I've got green eyes, green eyes,
Grass on the other side,
I've got green eyes,
Green as grass on the other side,
My eyes are green.

You had your fill of me,
Set me free,
I bet you chased him up a tree.

But you lost your chance to grow
Walked too low, the light is going,
I feel you scratching up your knees.

And I've got green eyes, green eyes,
Grass on the other side,
I've got green eyes,
Green as grass on the other side,
My eyes are green.
