Don't you know [2x]

Oh [?x]

Boy, don't you know, take it slow
Work it hard take it far
[2x]

Boy, I can see it in your face, you're all over the place
Can you stand up straight for me, yeah
Get it back on track if you want me back
Do the sweet talk for me

Boy, don't you know, take it slow
Work it hard take it far
[2x]

Don't you know

Boy, I can see it in your face, you're all over the place
Can you stand up straight for me, yeah
Get it back on track if you want me back

Don't you know

Do the sweet, do the sweet talk
Talk [4x]
Do the sweet talk

Oh [?x]

Boy, don't you know, take it slow
Work it hard take it far
[2x]

Do the sweet talk-talk-talk [3x]

Boy, I can see it in your face, you're all over the place
Can you stand up straight for me, yeah
Get it back on track if you want me back

Do the sweet, do the sweet talk
Talk [4x]
Do the sweet talk

Oh [?x]

Do the sweet talk for me

Boy, don't you know [2x]

Do the sweet talk for me
