Tonight's the night you waited for
People want more and more
Now you'll get what you all need
We'll go for it, we are better than Speed

We'll be there play our show,
Show you what's rock and roll
Tonight will be special gig
This party will give us all the kick

You won't believe your eyes
When you watch your boy die
And someone in the crowd shouts:
Hey ho, let's go

My cannibal paradise, paradise, paradise, oh oh
My cannibal paradise, paradise, paradise, oho
My cannibal paradise uhohohuhoh,
My cannibal paradise, paradise uhoh

Surprise, surprise, now here's the clue
Right, what we want is you
We eat you alive tonight
Nothing ever felt so right

We love the smell of fresh meat
That's all we ever ever need
One sweet arm, a spicy chest
That's our wildest cannibal fest

You will run, you will hide
But you are caught inside

My cannibal paradise, paradise, paradise, oh oh
My cannibal paradise, paradise, paradise, oho
My cannibal paradise uhohohuhoh,
My cannibal paradise, paradise uhoh

McKitty's happy meal ohohohohoh

My cannibal paradise, paradise, paradise, oh oh

My cannibal paradise, paradise, paradise, oho
My cannibal paradise uhohohuhoh,
My cannibal paradise, paradise uhoh

My cannibal paradise, my paradise
[repeat]
