Love is a lie  
You can't deny  
That's the reason  
Why all my boyfriends die

I'm a mutant zombie girl  
From another gruesome world  
Crawl out night by night (oh)

Try to find love of my life  
World's as sharp as a knife  
Now I go insane...

Hungry for love and sick of pain  
I, I need to eat brain

Moonlight massacre,  
Feast the night away  
Moonlight massacre  
Moonlight (moonlight)  
Massacre (massacre)  
Moonlight massacre

It's another gloomy night  
I see him, yeah, he's the right  
But he's not alone

It's the girl on his side  
I should be the dying bride  
Let's go and kill tonight

I cut off her neck (her blood spills out)

Moonlight massacre,  
Feast the night away  
Moonlight massacre  
Moonlight (moonlight)  
Massacre (massacre)  
Moonlight massacre

I want to feel your heart beat inside of me,

Inside of me, where it should be (rip it out, rip it out),  
Your blood tastes like sweet cherry coke  
When it runs down my throat

Moonlight massacre,  
Feast the night away  
Moonlight massacre  
Moonlight (moonlight)  
Massacre (massacre)  
Moonlight massacre

Moonlight massacre,  
Feast the night away  
Moonlight massacre  
Moonlight (moonlight)  
Massacre (massacre)  
Moonlight massacre
