give me a freaky boy  
ill make him sit & beg  
ill put a chain around him  
wrap him between my legs  
i like it bouncy bouncy, so throw me up & down  
just keep on moving through me & turn my world  
around

dont need a tiny sucker, i need a real boy  
dont wanna stop it, stop it, just sit back & enjoy  
i like em thick & juicy i like em nice & tall  
im such a bad ass chick, uh, you wont leave me at all  
give me a Freak

give me a freak  
come on and be my toy  
give me a freak  
give me a freaky boy  
give me a freak  
something i can enjoy
