I like to dance
In my car
With the radio on
And I like to sing
Sitting there
At the top of my lungs
You drive by
And so I bring
The air guitar out
And strum
A few chords for you

'Cause I've got
Love inside
You've got
Love inside
Not the kind
You bring to bed
And not the kind
You see
It's for everyone
You and me
You and me

Sometimes I just feel
Like I'm about
To explode
Sometimes I just feel
Like I'm letting
The flood gates go
Isn't it funny
That the more you give
The more this love
Begins to grow inside?

All this love inside
And not the kind
You bring to bed
And not the kind
You see
It's for everyone
You and me

All this love inside (11x)

'Cause I've got all
This love inside
There's no need
To put it away
If you've got
All this love
Spread it
To the world to see
Not the kind
You bring to bed
Not the kind you see
This love
Is for everyone
You and me
