### "From Here On In"

I'll take one road  
From here on in.  
From here on in  
I'll take one street,  
From here on in  
I'll take one trail,  
One walk, one lane  
From here on in

I'll climb one hill,  
Up a mountain side,  
Through a pasture green  
Through a vineyard wide.

I'll swim the sea,  
Tread the sandy shore.  
I'll take one gate,  
One arch, one door.

I'll wade one river,  
One little creek, one stream.  
I'll cross one valley,  
And all between.

From here on in  
I'll take one road,  
One walk, one lane  
From here on in.
