Mirror, Mirror on the wall
Madonna white, Madonna whore
Who I want to be today
Envy those who have their say

Mirror, Mirror on the wall
Who will want to break my fall?

Some girls do and some girls don't
Good girls will and bad girls won't
Boney thin or big tasty
I'm the man, this shit is crazy
Good girls want what some girls have
Some girls make a good girl bad
Loose or tight it's fascinates me
I'm the man this shit is crazy

Mirror, mirror tried and true
What applies to me don't apply to you
Chalk it up as fate and signs
Don't look back what's left behind

Some girls do and some girls don't
Good girls will and bad girls won't
Boney thin or big tasty
I'm the man, this shit is crazy
Good girls want what some girls have
Some girls make a good girl bad
Loose or tight it's fascinates me
I'm the man this shit is crazy

Beauty, beauty, look at you
Boy they wish they had that, too

Girly, girly in disguise
Knows what makes us men and guys
Love and death and color schemes
And we're the noise that's in between

Some girls do and some girls don't
Good girls will and bad girls won't

Very nice or hot and shady
I'm the man, this shit is crazy
Good girls won't when bad girls will
Bad girls have that good skill
On their knees and jingling baby
I'm the man this shit is crazy

She's a goddess
She's a priest
She's a prophet
To say the least
She's your daughter
She is war
She is mercy
