Ooh, don't tell me, your love is gone away  
You want to run, to break free, but I want you to stay  
Beside meâ€¦  
Beside meâ€¦

Still remember the nights we ran away  
Dancing so close, we never found the way  
Now I sit in my dark room, and calling for youâ€¦

All the passion, the love we used to share  
Now it's all gone, vanished to nowhere  
Wake me up, this nightmare comes, I need your  
loveâ€¦

Ooh, don't tell me, your love is gone away  
You want to run, to break free, but I want you to stay  
I need you here, beside me, won't let you go away, oh  
no  
Ooh, don't tell me  
I believe we may...

Cannot sleep, 'cause you are in my dreams  
Going moonstruck, I wander in the streets  
Left alone, what can I do? Boy I miss youâ€¦  
You were perfect, you came from outer space  
Now you left me, I'll never see your face  
Try to find time, break these chains, and leave this  
raceâ€¦

Ooh, don't tell me, your love is gone away  
You want to run, to break free, but I want you to stay  
I need you here, beside me, won't let you go away, oh  
no  
Ooh, don't tell me  
I believe we may...

I need you here, beside meâ€¦ I need you here, beside  
meâ€¦  
I need you here, beside meâ€¦ I need you here, beside  
meâ€¦

Ooh, don't tell me, your love is gone away  
You want to run, to break free, but I want you to stay  
I need you here, beside me, won't let you go away, oh  
no  
Ooh, don't tell me  
I believe we may.
