You are the promised kiss of springtime that makes the
lonely winter seem
long. You are the breathless hush of evening that
trembles on the brink of a
lovely song.

You are the angel glow that lights a star. The dearest
things I know are what
you are.

Some day my happy arms will hold you and some day
I'll know that moment
divine when all the things you are, are mine!

You are the angel glow that lights a star. The dearest
things I know are what
you are.

Some day my happy arms will hold you and some day
I'll know that moment
divine when all the things you are, are mine!
