Times have changed  
And we've often rewind the clock  
Since the Puritans got a shock  
When they landed on Plymouth Rock  
If today, any shock they should try to stem  
'Stead of landing on Plymouth Rock  
Plymouth Rock would land on them

In olden days a glimpse of stocking  
Was looked on as something shocking  
Now heaven knows, anything goes

Good authors too who once knew better words  
Now only use four letter words writing prose  
Anything goes

The world has gone mad today  
And good's bad today  
And black's white today  
And day's night today  
When most guys today that women prize today  
Are just silly gigolos

So though I'm not a great romancer  
I know that you're bound to answer  
When I propose, anything goes
