From this moment on, you for me, dear
Only two for tea, dear, from this moment on
From this happy day, no more blue songs
Only hoop-dee-doo songs, from this moment on

Oh, you've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got those sweet lips to kiss me goodnight

From this moment on, you and I, babe
We'll be ridin' high, babe, every care is gone
From this moment on

For you've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got those sweet lips to kiss me goodnight

From this moment on, you and I, babe
We'll be ridin' high, babe, every care is gone
From this moment on
