All our friends keep knocking at the door,
They've asked me out a hundred times or more,
But all I say is, "Leave me in the gloom",
And here I stay within my lonely room,
'Cause...
I don't want to walk without you, Baby;
Walk without my arm about you, Baby;
I thought the day you left me behind,
I'd take a stroll and get you right off my mind,
But now I find that
I don't want to walk without the sunshine
Why'd you have to turn off all that sunshine?
Oh, Baby, please come back or you'll break my heart
for me,
'Cause I don't want to walk without you
No, siree
