In the still of the night
As I gaze from my window
At the moon in its flight
My thoughts all stray to you

In the still of the night
While the world is in slumber
Oh, the times without number
Darling, when I say to you

Do you love me as I love you?
Are you my life to be
My dream come true
Or will this dream of mine
Fade out of sight?

Like that moon growing dim
On the rim of the hill
In the chill, still of the night

Do you love me as I love you?
Are you my life to be
My dream come true
Or will this dream of mine
Fade out of sight?

Like that moon growing dim
On the rim of the hill
In the chill, still of the night
