"Out Of This World"

You're clear out of this world
When I'm looking at you
I hear out of this world
The music that no mortal ever knew

You're right out of a book
The fairy tale I read when I was so high
No armored knight out of a book
Could find the more enchanted by a Lorelei then I

After waiting so long for the right time
After reaching so long for a star
All at once from the long and lonely night time
And despite time, here you are

I'd cry, "Out of this world"
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you

I'd cry, "Out of this world"
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you
