Saturday night is the loneliest night in the week
'Cause that's the night that my sweetie and I used to
dance cheek to cheek
I don't mind Sunday night at all 'cause that's the night
friends come to call
And Monday to Friday go fast and another week is past

But Saturday night is the loneliest night in the week
I sing the songs that I sang for the memories I usually
seek
Until I hear you at the door, until you're in my arms
once more
Saturday night is the loneliest night in the week

Saturday night is the loneliest night in the week
I sing the songs that I sang for the memories I usually
seek
Until I hear you at the door, until you're in my arms
once more
Saturday night is the loneliest night
But now that you're back, only you see is the night
Saturday night is the loneliest night in the week
