Tonight, tonight won't be just any night  
Tonight there will be no mourning star  
Tonight, tonight, I'll see my love tonight  
And for us stars will stuck where they are

Today the minutes seem like hours  
The hours go so slowly and still the sky is light  
Oh, moon grow bright and make this endless day  
Endless night, tonight

Today the minutes seem like hours  
The hours go so slowly and still the sky is light  
Oh, moon grow bright and make this endless day  
Endless night, tonight
