YOU'RE JUST IN LOVE
Rosemary Clooney

I hear singing and there's no one there.
I smell blossoms and the trees are bare.
All day long I seem to walk on air.
I wonder why, I wonder why.

I keep tossing in my bed at night.
And what's more, I've lost my appetite.
Stars that used to twinkle in the skies
Are twinkling in my eyes.
I wonder why.

You don't need analyzing
'Cause it's not so surprising
That you feel very strange, but nice.
Your heart goes pitter patter.
I know just what's the matter
I've been there once or twice.

Put your head on my shoulder.
You need someone who's older,
A rubdown with a velvet glove.
There is nothing you can take
To relieve that pleasant ache.
You're not sick, you're just in love.
