T Â– Teach me how to tap  
T Â– Teach me how to tap boy

Teach me how to tap

I got a new step (sway)  
So here it goes (sway)  
For you to do it you gonna need some healthy toes  
Fellows grab a female and take her to the dance floor  
Cuz we about to hit that Toe Tappy Yup!  
Here it goes!  
(Come on)

We Toe Tappin'  
Tappin' our toes still tippin'  
Tappin' my toes so much that now my pinky toe trippin'  
And my big toe SWOLLEN  
I do my dance in my wheelchair but I'm still rollin'  
I saw you over there doin' the reject and I'm not certain  
but it sort of looked like you were jerkin'  
Find the dude who taught to how to Dougie go get a  
refund  
They glance at your dance but they still lookin' at me  
son.  
The running man ain't quite working  
I tried to do the stinky leg and now my left leg hurtin'

Haaa haaa  
I might need a pedicure but I'm Toe Tappy  
My souls on fire  
My socks burnt up

What's wrong?  
You look heavy'  
You need to come on over here and do that Toe Tappy  
Tappy  
Tappy  
Heyyyy!  
Do that Toe Tappy

Swagg it out, lean back and Do that Toe Tappy

They in love with the way I tap these feet  
Talk about this dance on Twitter get a re-tweet  
(#zerodance)

They do it at the clubs  
They do it at the shows  
But you can't do this dance if you got ( ) toes  
Take them shoes off  
Show them corns, girl  
Now keep it sexy like your making toe p#rn girl  
Lean back, drop it till the floor, that's it  
Put your foot down, just the tip

Now freeze for a second let your toe rest  
Work your thigh muscles bo-flex  
Open toe shoes, please don't risk it  
You don't want your feet lookin' like shrimp and biscuits  
I hit Perez Hilton told him to holla at me  
So I can teach every celebrity to Toe Tappy  
I like there music but I love them toes  
But you ain't got a fetish, come on  
You know how it goes

What's wrong?  
You look heavy'  
You need to come on over here and do that Toe Tappy  
Tappy  
Tappy  
Heyyyy!  
Do that Toe Tappy

Swagg it out, lean back and Do that Toe Tappy

Hey  
Hey  
Hey  
Hey  
Hey  
Hey  
CokeZero In My Cup  
Hey  
Hey  
Hey  
Hey  
Hey  
Hey  
CokeZero In My Cup

A Coca-Cola zero
