Gotta go now baby, don't go now  
Gotta go now baby, don't go (x4)

Yeah, the streets are full  
And the crowds they are out on the town  
And I'm feeling so high  
I'm going out with the world tonight  
With the shake of the skin  
Lady luck she aint waiting for him  
And the beat of the drum  
Man I don't think I'll ever be done, no

We're alright, we're ok  
We're alright  
We all on the street and we're making our way

I'm feeling so high  
I'm going out with the world tonight  
And we're making our way  
Down the streets where the people play  
With the shake of the skin  
Lady luck she ain't waiting on him  
And we all getting locked  
In the clubs with funk and the rock

Gotta go now baby don't go  
We're alright  
Gotta go now baby don't go  
We're okay  
Gotta go now baby don't go  
We're alright  
We all on the street and we're making our way

Gotta go now baby, don't go now  
Gotta go now baby, don't go (x2)

I'm feeling so high  
I'm going out with the world tonight  
And we're making our way  
Down the streets where the people play  
With the shake of the skin

Lady luck she ain't waiting for him  
And the beat of the drum  
Man I don't think I'll ever be done

Gotta go now baby don't go  
We're alright  
Gotta go now baby don't go  
We're okay  
Gotta go now baby don't go  
We're alright  
We all on the street and we're making our way (x2)

I'm feeling so high  
I'm going out with the world tonight  
With the shake of the skin  
Lady luck she ain't waiting on him
