People keep talking  
But I can't hear what I want to say  
Life just keeps moving  
The world gets stranger everyday

But now time is on your side  
That's what people will tell you  
But I got to let you go  
My head is saying that this is for the better  
I just want you to know  
I can't hold on forever  
When all the tears can go  
All the tears can go

Shadows are screaming  
But I can't hear a single sound  
And I'm feeling uneasy  
And I'm waiting away for a change to come around

I get the feeling that this is for the better  
And I just want you to know  
I can't hold on forever  
Without returns my love

Ohoh

Yea

Ohoh

Where does it go

Ohoh

I'll keep searching for an answer  
Or just peace of mind  
When your life has lost its meaning  
We all need a little time

Are you searching for an answer

Or just peace of mind  
When your life has lost its meaning  
We all need a little time
